That's sucks.

I was there all week and it was clean.

Looks like someone popped the locked snf dug out a bunch of trash.

What is weekend protocol for our guys?

Subject: Alley filth

The BID has spent millions of dollars on "clean and safe". And today this is the scene in the alley between 6th and 7th at Centre.

Cleaning up a private dumpster is NOT a BID responsibility.

But is is the job of the BID to report this CONTINUING problem to the proper City and County authorities.
